

Uniform Policy

The KAC uniform must be worn at all KAC competition events.

The KAC uniform consists of a KAC singlet or crop top (pictured below) and plain black shorts/leggings (no logos). See below for examples of what is and is not allowed.

Shorts allowed:

Shorts NOT allowed:

We encourage the “no logo” because if our athletes compete at other Athletics West run or state events, these uniform restrictions are in place and enforced strictly, so we want them to be prepared for a strict enforcement.

We do allow a white or black plain long sleeve shirt worn underneath the competition singlet.

Uniforms can be purchased at our Club Registration / Open Day, the first few training sessions and on competition days.

Bibs

Once you have registered, you will receive a numbered bib for competition. This bib **must** be worn at every competition day. They can be pinned or sewed* onto the competition singlets as shown below:

Bibs can be collected on our Club Registration / Open Day, the first week of training or on the first competition day.

* *Bib numbers change every year so if you decide to sew them on, they will need be changed the next season.*

If you lose your athlete bib, a new bib and number can be reissued but it comes with a \$10 reissue fee which is to be paid before you receive your new bib.

Shoes

Shoes are compulsory for all track and field events. [See LAWA Code of Safety for spiked shoes](#)

Allowances

We will allow a one-time occurrence of an athlete forgetting a part of their uniform or their bib. If their bib is missing, we can write their number on the athlete's arm for the day. They must then, for the next comp day, have their bib or get a new one re-issued.

Our uniform is compulsory and must be adhered too. The committee have the right to refuse an athlete from competing if they are not in the correct uniform. To reiterate, our correct uniform consists of

- Competition singlet or crop top (as pictured above)
- Bib number
- Black shorts/leggings - plain (no labels)
- Appropriate shoes.

This policy ensures fairness, consistency and a level of responsibility and professionalism, for all our athletes.
